Retraction Note: Changes in the electron paramagnetic resonance spectra of albumin-associated spin-labeled stearic acid as a diagnostic parameter of colorectal cancer

Zhongchao Liu, Wenyi Zhang, Saijun Fan, Liang Wang and Ling Jiao*

The authors are retracting this article [1] due to overlap with previous publications, most notably [2–4], without appropriate attribution. We apologize for any inconvenience caused.

Submit your next manuscript to BioMed Central and we will help you at every step:

- We accept pre-submission inquiries
- Our selector tool helps you to find the most relevant journal
- We provide round the clock customer support
- Convenient online submission
- Thorough peer review
- Inclusion in PubMed and all major indexing services
- Maximum visibility for your research

Submit your manuscript at
